

I am writing to urge the FCC to refrain from implementing any proposal that would lessen the protections of Indiana's Telephone Privacy Act. My husband and I were receiving calls from telephone solicitors DAILY before this protection took effect. Thanks to the Telephone Privacy Act, we now receive absolutely NO UNWANTED CALLS. What a blessing! It is wonderful to answer the phone knowing that I am not going to have to be rude to yet another telemarketer. PLEASE leave Indiana's law alone!
